AISG · AI SAFEGUARDING & GOVERNANCE

AI safeguarding response guide

What every member of staff does when a concern involves AI — for all staff, supply staff and volunteers. DSL means Designated Safeguarding Lead.

Immediate action required

Child in immediate danger: call 999

Including an immediate risk of self-harm.

Every other concern

Tell the DSL — the same day

In person or by phone, not email alone. DSL and deputy unreachable and a child at risk? Contact children's social care or the police yourself.

1 Listen and reassure

> "Thank you for telling me." · "You are not in trouble." · "This is not your fault." · "We will get help."

! **Do not promise to keep it secret. Say who you will tell and why.**

2 Don't look, don't copy

- ✓ if shown an image, look away — you do not need to see it to report it
- ✓ keep a device handed to you secure for the DSL, unviewed
- ✗ do not view, ask for, forward, save, screenshot, print or copy imagery — even "as evidence"
- ✗ do not delete anything, or tell a pupil to — deletion is the DSL's decision
- ✗ do not investigate, confront anyone or contact parents yourself

3 Note what you heard

The pupil's own words, the app or platform, usernames, date and time, what you did. Never a copy of the image; never speculation.

4 Tell the DSL and record it

Record on the safeguarding system the same day. Threats or demands for money (sextortion): reach the DSL **before the pupil goes home**; advise the pupil to stop replying and not to pay.

Contacts

Who	Contact
Police	999 emergency · 101 non-emergency
Your DSL / deputy	
Children's social care (local)	
NSPCC Helpline (adults)	0808 800 5000, weekdays 10am–4pm
Childline (pupils)	0800 1111 · CEOP reporting: ceop.police.uk
